Hi Alan,

These are not the legal team's official comments but I thought you might find them useful when determining what you plan to discuss during the call on Wed.

Jayne: I wanted to let you know I've shared my comments on the draft findings document with JB & Steve and am hoping the 3 of us can coordinate so the lawyers are weighing in a consistent way for the Tech Team. I'm also attaching here my comments for you, but I'd ask that you'd hold these (and not share with the group generally) until I've been able to coordinate with JB and Steve.

Thank you, thank you.

Best,

Jeff
